THIS BOOKLET WAS KINDLY BROUGHT TO YOU BY

TARARUA **REAP**
Rural Education Activities Programme

*Our mission
is to provide
opportunities for
people, whānau
and communities
to flourish through
life-long quality
learning
opportunities.*

Tararua REAP is one of thirteen REAP's who have provided educational services for around 40 years. We are a friendly, professional team that supports the delivery of numerous educational and support services within the Tararua area generally from Norsewood to Woodville although some contracts extend into Southern Tararua - Pahiatua, Eketāhuna and out to the Coast.

Tararua REAP collaborates with educators, parents, and whānau to provide emotional and educational support to help develop our community from early childhood through to the elderly.

For the early years we provide education, activities and events for early childhood centres, playgroups, homebased educators and kindergartens.

Apps

Well Child App

This specialised health and education tool is free to all users, ensuring parents and caregivers receive timely & personalised information for the health and well being of their tamariki (children)

Raising Childrens App

Sign up to access 100+ short clips and helpful tips gleaned from experts, with the 'need to knows' of child development, eating, sleeping, learning, parenting, health, education and physical activity.

Whare Kahikā - Home Safety App

Whare Kahikā is an app giving whānau knowledge to create a safe physical home environment for tamariki.

Parental Control App - OurPact

OurPact allows parents to foster healthy habits and manage their child's screen time using screen time allowance, blocking specific apps, blocking texts, and scheduling daily screen time according to a child's daily routine.

Qustodio Parental Control App & Family Locator

Over 4 million parents trust Qustodio's parental control tools to keep their kids' screen time safe and balanced on every device.

Apps continued

Bark - Monitor and Manage Your Kids Online

Bark provides families with the tools they need to raise kids in the digital age. Our comprehensive service lets you monitor content, manage screen time, and filter websites so you can get peace of mind while your child is online.

Control Children's Screen Time with Kidslox

Kidslox parental control app makes it simple to manage children's screen time and helps them develop a balanced attitude to technology. It gives you tools to block apps, block internet and filter web content to enable the creation of consistent boundaries for technology use.

Family Zone Connect

Download the Family Zone app on your child's device to manage what they see online and when they see it. Family Zone lives on your child's devices to keep them safe and responsible no matter where they go, or what network they connect to.

Child Reward

Child Reward is based on a star point system. The parent can add tasks and rewards for children. The individual task can have a different value. After collecting the appropriate number of stars, the child can collect the reward.

Helplines

Plunket Line - 0800 933 922

Plunket Line is a free parent helpline and advice service available to all families, whānau and caregivers 24 hours a day, seven days a week.

Rural Education Activities Programme

Helping to build thriving, resilient,
confident communities.

A large, light green fern frond is positioned in the background, partially obscured by the text.
