

A Message from Marketing Manager, Alice Franklin

What an incredible (and more than a little busy) term three!

Our team was heavily involved in the local Schools' Kapa Haka Festival, CACTUS (Combined Adolescent Challenge Training Unit and Support), and the Festival of Adult Learning. These events, on top of our many courses and workshops, have us feeling well and truly connected and appreciative of our local communities. It is our involvement in these community events that give us insight into our region, giving us the chance to meet and connect with all sorts of different people. This helps us build a picture of what the needs and wants are for lifelong learning opportunities within the district.

I would like to extend a huge thank you and congratulations to everyone that made the Kapa Haka Festival such a success. Everyone had a lot of fun, the performances were amazing, and the pride and passion was truly evident. Congratulations also to all the trophy winners!

The Festival of Adult Learning at Tararua REAP was a week load of fun. We had our Koru Cabin outside the office and celebrated the many lifelong learning opportunities that REAP offers. The atmosphere was great, and it was a wonderful opportunity to showcase all that Tararua REAP has to offer our communities. Ngā Mihi

Kapa Haka Festival 2023

Festival of Adult Learning

CACTUS 2023

Dannevirke CACTUS (Combined Adolescent Challenge Training Unit and Support) is an 8-week programme designed to build young leaders, of which Tararua REAP is a huge supporter. Our involvement includes; Employment support – including mock interviews with real employers, budget support, photography and much more. The success of past CACTUS graduates is truly evident within our community.

Thank you to Vicki Friday from VP Photography for capturing the magic of the day
